

Little Hands Pick Up More Than Toys On The Playground.

New from RMS!

Hand Sanitizer in Bulk Size for Childcare Centers

Alcohol-based Gel— Great for staff use and supervised child use, try our new gallon hand sanitizer gel which also kills 99.99% of germs. Save time and money as you dispense to kids as they come in from recess, before a new activity, etc. It's perfect for the child care office or staff lounge too!

Save Money with RMS Bulk Dispensers!

Kids seem to attract germs like a magnet. And unfortunately, their hands are the primary source for spreading germs at a child care facility. For occasions when hand washing is not convenient, or perhaps not available at all, our new **RMS Hand Sanitizers** are the perfect compliment to your overall hygiene program.

As a trusted national supplier to child care centers across the country, you can count on our RMS bulk sanitizer dispensers to combine ease of use with effective germ fighting in a safe, money-saving product for your business.
